Unknown waters

Belief overlay

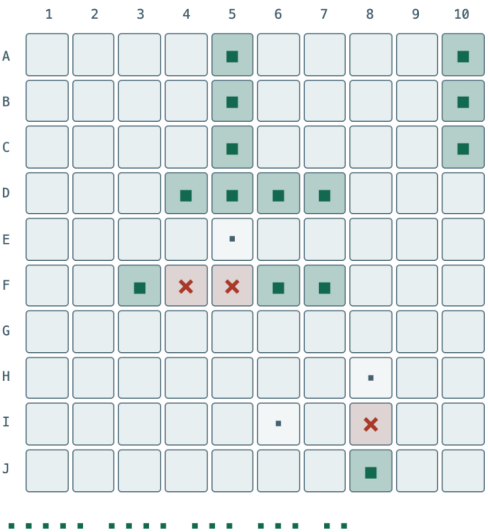

Posterior ship probability · enemy fleet

Your fleet

14/17

Hidden from the opponent

Your hits: **1/17**
Opponent hits: **3/17**

Turn 7 · Select your next target

You: J10 miss · Opponent: F5 hit

Fleet entropy	Expected information	Ship probability	Expected free energy
3.51 nats	0.573 nats	60.9 %	0.494 G
24.8 effective hypotheses	Selected or highest-probability action	Posterior occupancy at target	Preference cost – β · information

Read the display

The left overlay aggregates posterior fleet occupancy. A hit or miss changes beliefs; the suggested target is an action score, not a revealed ship. The right fleet belongs to the human player and is hidden from the opponent.
